Lord Mazdamundi, is the most powerful Lizardman Special Character. He even has his own unique set of spells!

Troll of da Month

Name: Pat Brown

Position: Phone Troll

Which GW character are you most like and why? Brother Captain Tycho. Strong, silent resourceful, yet with an underlying savagery - all hidden behind a mask.

What armies do you play? Undead, Orcs & Goblins, Space Marines (Blood Reavers Chapter) and Tyranids.

Describe yourself in one paragraph: An overly friendly person who enjoys watching and playing hockey, gaming, painting, snake charming and writing. I'm also a voracious reader.

Give use your best painting tip: Basecoat in black even for light colors. It looks better when started with black. It gives a great look to the deep recesses of the model.

What's the best tactics advice you can offer: Try to use your elite troops to take out your opponents weaker troops quickly and then roll up his flank.

What's your best advice on life: Never slack off. Always take chances even if someone says it's dangerous because it'll probably be fun!

$34.99

Humans are generally acknowledged as the best all-round Blood Bowl players in the Old World. They may lack the toughness of Orcs and the agility of Elves, but they don't suffer from any of these teams weaknesses either.
